

Mobile Crisis Support

When someone is experiencing a severe mental health crisis they may need face to face response urgently. Mobile crisis providers will respond to wherever the crisis is occurring in the local community and will work to stabilize individuals in their home setting. The below list of providers represent all available mobile crisis providers in the state, the counties they operate in, their phone number, hours of operation and any service exclusions. **Counties without mobile crisis services are not listed.**

*Mobile crisis utilizes a co-responder model with law enforcement
