

# Behavioral Health Help Line (BHHL)

## Treatment Connection Resource Directory Search Tool

The Massachusetts [Behavioral Health Help Line \(BHHL\) Treatment Connection Resource Directory](#) search tool is a new resource that provides information about a range of mental health, substance use disorder and support services across the Commonwealth.

Additional services will continually be added to the BHHL Resource Directory. Please check back periodically for current information.

### Verify the accuracy of your listing in the BHHL Resource Directory

Find your listing by entering the location and organization's name in the "facility name" field. Remember, members can search by:

- Service type
- Location by zip code
- Language
- Gender, age and/or racial considerations

### Not in the directory?

Complete a profile to be added to the directory [here](#).
