

# TIME FOR YOU TO FIND MORE REFERRALS

Join our **Express Access Network** and Optum will direct more referrals your way.

Optum's Express Access Network is designed to help you expand your practice and generate more revenue.

We do that by placing a callout next to your name on our online provider directory, [liveandworkwell.com](http://liveandworkwell.com). The text callout indicates to members and care advocates that you have promised to see members within 5 business days of an appointment request. Members can even filter their search exclusively for Express Access providers.

All you need to do is complete and submit an attestation agreeing to offer members a routine appointment within 5 business days of a request.

For more information please review the Express Access Network FAQs or contact your Optum/UBH Network Manager.

Optum members are looking for clinicians that participate in the **Express Access Network**
