<table>
<thead>
<tr>
<th>Missing or incomplete information</th>
<th>Member demographic info has errors</th>
<th>Unclear or illegible information</th>
</tr>
</thead>
<tbody>
<tr>
<td><em>Provider Express “Claim Entry” prevents the submission of claim if required fields are blank</em></td>
<td><em>Member information is auto-populated when you use “Claim Entry” on Provider Express</em></td>
<td><em>The Claim Entry form on Provider Express ensures legibility</em></td>
</tr>
<tr>
<td>Examples: NPI number, DSM-5 derived diagnosis code</td>
<td>Examples: Name, DOB, ID number</td>
<td>Examples: Provider or Member information illegible, diagnosis code unclear</td>
</tr>
</tbody>
</table>
Filing paper claims

If you are unable to file electronically, follow these tips to ensure smooth processing of your paper claim:

- Use an original 02/12 1500 Claim Form (no photocopies)
- Type information to ensure legibility
- Use a DSM-5 derived ICD-10 code for primary diagnosis (Hint: the DSM-5 includes ICD codes along with the DSM diagnostic info)
- Complete all required fields (including ICD indicator and NPI number)
1500 Claim Form - formerly called CMS-1500 or HCFA

Include the ICD indicator:
0 for ICD-10

There are two distinct fields for placement of an NPI number
