**Kudos from Customers**

“I wanted to send a letter out to all of our other clients encouraging them to switch to Optum when the open enrollments occur this fall as it has been such a great experience for us and the children are getting the services they so desperately need without a hassle.”  

~ Pat, Children Making Strides

“I wanted to let you know I attended the APBA’s convention in Boston yesterday and people from all over the country attended. Everyone in the room had wonderful things to say about UBH! And I want to personally thank you, Debbie, for all the hard work and assistance. I could not have done it without you!”

~ Anne, Beacon

Member Rights and Responsibilities

Members have the right to be treated with respect and recognition of his or her dignity, the right to personal privacy, and the right to receive care that is considerate and respectful of his or her personal values and belief system.

Members have the right to disability related access per the Americans with Disabilities Act.

You will find a complete copy of Member Rights and Responsibilities in the Provider Network Manual.

These can also be found on the website: providerexpress.com

These rights and responsibilities are in keeping with industry standards. All members benefit from reviewing these standards in the treatment setting.

We request that you display the Rights and Responsibilities in your waiting room, or have some other means of documenting that these standards have been communicated to the members.
Member Website

liveandworkwell.com makes it simple for members to:

- Identify network clinicians and facilities
- Locate community resources
- Find articles on a variety of wellness and work topics
- Take self-assessments

The search engine allows members and providers to locate in-network providers for behavioral health and substance use disorder services.

Providers can be located geographically, by specialty, license type and expertise.

The website has an area designed to help members manage and take control of life challenges.
Credentialing Criteria for Inclusion in the Autism/ABA/IBT Network
Required: NPI and EIN/TIN

National Provider Identifier (NPI)

• Health Insurance Portability and Accountability Act of 1996 (HIPAA) mandated the adoption of standard unique identifiers for health care providers and health plans
• The purpose of these provisions is to improve the efficiency and effectiveness of the electronic transmission of health information
• We require that all claims submitted have an NPI number for reimbursement

To obtain an NPI number, follow the instructions on the NPI web site:
• nppes.cms.hhs.gov/NPPES/Welcome.do

Tax Identification Number (TIN), Employee Identification Number (EIN), or Social Security Number (SSN) information:
• irs.gov

Professional Liability Insurance
• bacb.com web site has coverage information; enter “liability in the site’s “Search” feature located in the right side of the menu
ABA Credentialing Criteria

**Individual Board Certified Behavior Analysts—Solo Practitioner**

- Board Certified Behavior Analyst (BCBA) with active certification from the national Behavior Analyst Certification Board, and State licensure in those states that license behavior analysts
- State certification in those states that certify behavior analysts
- **PA ONLY** – Board Certified Behavior Analyst (BCBA) with active certification from the BACB and/or PA State licensure as a Behavior Specialist
- Compliance with all state/autism mandate requirements as applicable to behavior analysts
- A minimum of six (6) months of supervised experience or training in the treatment of applied behavior analysis/intensive behavior therapies
- Minimum professional liability coverage of $1 million per occurrence/ $1 million aggregate

**ABA / IBT Groups**

- BCBAs must meet standards above and hold supervisory certification from the national Behavior Analyst Certification Board if in supervisory role
- Licensed clinicians must have appropriate state licensure and six (6) months of supervised experience or training in the treatment of applied behavior analysis/intensive behavior therapies
- Compliance with all state/autism mandate requirements as applicable to behavior analysts/ABA practices
- BCaBAs must have active certification from the national Behavior Analyst Certification Board, and appropriate state licensure in those states that license assistant behavior analysts
- Paraprofessionals must have RBT certification from the national Behavior Analyst Certification Board, or alternative national board certification, and receive appropriate training and supervision by BCBAs or licensed clinician
- BCBA or licensed clinician on staff providing program oversight
- BCBA or licensed clinician performs skills assessments and provides direct supervision of paraprofessionals in joint sessions with client and family
- $1 million/occurrence and $3 million/aggregate of professional liability and $1m/$1m of general liability if services are provided in a clinic setting.
- $1 million/occurrence and $3 million/aggregate of professional liability and $1m/$1m of supplemental insurance if the agency provides ambulatory services only (in the patient’s home).
ABA Virtual Visits

Optum allows BCBAs/Licensed BH Clinicians within contracted ABA practices to conduct ABA supervision and/or caregiver training via telehealth.

In order to provide supervision and/or caregiver training services via telehealth, you must be an approved Optum virtual visits provider who has attested to meeting the requirements specific to providing these services:

• You can complete and submit a virtual visits attestation on our virtual visits page of Provider Express and will be notified of approval or denial.
• Once approved as a virtual visits provider, please be sure to alert the Optum Care Advocate that the ABA supervision and caregiver training services will be provided virtually when completing the authorization process.

After receiving authorizations, to bill for the virtual ABA Supervision of Behavior Technicians and Family Training and Guidance:

• Simply include the same procedure code you would use for an in-person service, 97155 or 97156, on your claim with the “02” place of service code to let us know the service was provided via telehealth.

Additional information and resources can be found on our ABA page at ProviderExpress.
Steps in Providing Treatment

Eligibility, Authorizations, Concurrent Reviews
Clinical Team

Dedicated Autism Clinical Team

There is a dedicated autism clinical team that supports the commercial ABA program:

- Each team member is a licensed behavioral health clinician or BCBA with experience and training in Autism
- Supervised by a manager who is a licensed psychologist and BCBA-D
Intake

At Intake:

• Copy front and back of the Member’s ID card
• Record subscriber’s name and date of birth

Suggested information:

• Provide subscriber with your HIPAA policies
• Provide subscriber with consent for billing using protected health information including signature on file
• Always get a consent for services
• Informed Consent: services, to leave voicemail, email, etc.
• Billing policies and procedures
• Release of Information to communicate with other providers
Release of Information

- We release information only to the individual or to other parties designated in writing by the individual, unless otherwise required or allowed by law.

- Members must sign and date a Release of Information for each party that the individual grants permission to access their PHI, specifying what information may be disclosed, to whom, and during what period of time.

- The member may decline to sign a Release of Information which must be noted in the Treatment Record; the decline of the release of information should be honored to the extent allowable by law.

- PHI may be exchanged with a network clinician, facility or other entity designated by HIPAA for the purposes of Treatment, Payment, or Health Care Operations.
Eligibility and Prior Authorization

All ABA services require prior authorization:

• Verify benefits/eligibility online via the secure portal on providerexpress.com or call the Behavioral Health number located on the back of the member’s ID card

• Check benefit coverage relating to both the service (e.g., Is ABA therapy covered?) and the diagnosis (e.g., Is autism covered?) on provider portal or by calling the number on the member’s insurance card

• Online assessment request at: optumpeeraccess.secure.force.com/ABAassessment/

• Prior Authorization obtained by
  − Calling the number located on the back of the member’s ID card
  − Indiana, Arizona, Washington, Ohio, Tennessee, and New Mexico providers only, submitting treatment plan online at: optumpeeraccess.secure.force.com/ABAtreatment/

• Authorization status can be viewed via the secure portal online at: providerexpress.com

• When calling the Autism Care Advocate you must have:
  − Member’s name
  − ID#
  − date of birth
  − address
