Recovery, resiliency and 
EMPOWERMENT TOOLS

Some of the best tools available for you to work your well-being.
Reach out and stay in touch.

There are many things you can do on your journey to long-term recovery and well-being. You can join online or face-to-face support groups, or use tools like online games and other valuable resources listed here. You can explore these tools and see what works best for you to support your recovery.

The information and links provided in this article were current at the time of publishing. The tools and links provided in this article by Optum are at no additional charge to you. The services offered through the links, organizations and entities included in this article are also at no additional cost to you. The link owners may make changes at any time without notice.
1. **Liveandworkwell.com:**
   This online resource for Optum members has many recovery tools and resources. It is a great one-stop shop to start your journey to health and recovery. [http://www.liveandworkwell.com](http://www.liveandworkwell.com)

2. **Action planning for prevention and recovery:** This booklet helps you with your own well-being. It is a tool kit to use when symptoms are getting in your way. It also helps you find and deal with triggers. [https://www.liveandworkwell.com/content/dam/laww/documents/guides/SAMHSA_Action_Plan.pdf](https://www.liveandworkwell.com/content/dam/laww/documents/guides/SAMHSA_Action_Plan.pdf)

3. **Online and face-to-face support groups:**
   Talking with someone else who has “been there” is powerful. Here are some links to reputable groups that have online, phone-based and face-to-face meetings all over the country:
   - AA meetings online. [https://aa-intergroup.org/](https://aa-intergroup.org/)
   - Depression and Bipolar Support Alliance (both online and face-to-face). [http://www.dbsalliance.org/site/PageServer?pagename=peer_landing](http://www.dbsalliance.org/site/PageServer?pagename=peer_landing)
   - Mental Health America. [https://www.mhanational.org/find-support-groups](https://www.mhanational.org/find-support-groups)
   - Narcotics Anonymous (NA) meetings by location. [https://www.na.org/meetingsearch/](https://www.na.org/meetingsearch/)
   - NAMI Online Groups. [https://nami.org/Support-Education/](https://nami.org/Support-Education/)

All links are available at [www.liveandworkwell.com](http://www.liveandworkwell.com). Find them at the “Personal Empowerment Kits” link under “Trending topics” on the home page (no login needed).
7. Friendship and mental health:
As a person living with addiction, we often isolate ourselves and have to relearn how to build friendship. Isolation makes our symptoms much worse. This article from NAMI offers tips on how to meet other people to help reduce our isolation.
https://www.nami.org/Find-Support/Teens-Young-Adults/Friendship-and-Mental-Health/

8. Wellness tracking:
Many people find it helpful to track how they are doing on a daily, weekly and monthly basis. This helps them better talk with doctors about what they need. Here are some tools that can help you do this.

- The pencil-and-paper version of the Whole Health Tracker is a great tool.
  - Tracker for first week:
    https://www.liveandworkwell.com/content/dam/laww/documents/guides/MyWholeHealthTracker_info_and_first_week.pdf
  - Tracker for additional weeks:
    https://www.liveandworkwell.com/content/dam/laww/documents/guides/MyWholeHealthTracker_additional_weeks.pdf

All links are available at www.liveandworkwell.com. Find them at the “Personal Empowerment Kits” link under “Trending topics” on the home page (no login needed).
11. Recovery goals, consumer-created videos and personalized wellness booklet:
   These resources help you set your recovery goals through a simple online method. You can also read tips and ideas from other people. You can mark the ones you like and then download your own personalized well-being booklet. Consumer-created videos, music and art can also be viewed on this site.
   https://www.facingus.org/

12. Advance directive site:
   Want a legal document that puts your loved ones’ wants and needs in writing in case of hospitalization? An Advance Directive allows them to be heard even if the loved one cannot talk or fear people will not respect their wishes. This site allows you to download and fill out the form applicable to your state.
   http://www.nrc-pad.org/

13. Shared decision making:
   These resources from SAMHSA can help you think through and talk with your doctors about choices.
   https://www.samhsa.gov/brss-tacs/recovery-support-tools/shared-decision-making

14. Identifying and coping with trauma:
   People who have gone through trauma will find this tool an easy-to-use way of thinking about and moving toward health.
   https://www.hsidl.org/?view&did=727832

15. Seeking safety trauma survivor empowerment:
   Trauma survivors often need to learn specific skills to help them overcome the effects of the trauma. While Seeking Safety may or may not be free, it is a tool you can look for in your community.
