

Massachusetts One Care

MA One Care: Includes MassHealth and Medicare benefits

Effective Oct. 1, 2023

Overview

The table below outlines the behavioral health services that require prior authorization for the **Massachusetts One Care** contract.

Please check this list before you provide services to UnitedHealthcare® Community Plan members. Additional information about prior authorization for behavioral health services can be found in the Optum Behavioral Health [National Network Manual](#) (pages 38-40). If you have additional questions, please call the Customer Service number on the back of the member’s ID card.

Note: All out-of-network (non-participating) providers must obtain prior authorization approval before providing behavioral health services. Prior authorization is not required when rendering emergency services.
