

Reimbursement Policies Available on Provider Express

Reimbursement Policies have recently been added to Provider Express. These policies assist in-network and out-of-network providers by clarifying expectations and requirements associated with billing as established by Optum in alignment with industry and regulatory standards.

Examples of Reimbursement Policies

- Add-on Codes
- Drug Testing
- Facility-Based BH Program Professional Fees
- Facility-Based BH Program
- Medicare Incident to Bill
- OP Family Therapy
- National Correct Coding Initiative, Medically Unlikely Edits
- National Correct Coding Initiative, Physician Code Pair Edits
- Specimen Validity Testing

Stay up-to-date on current policies and guidelines

We maintain these Policies on Provider Express under our Guidelines/Policies and Manual. Policies will continue to be added over time. Visit our website often to view current Guidelines and Policies.
