

Beginning Jan. 1, 2020 Optum is expanding services for Members covered under Oscar Health Plan

As a participating Optum provider, your existing agreement requires no action and allows you to provide services to these members in accordance with your current agreement.

Newly covered service areas include the states of Colorado, Georgia, Kansas, Missouri, Pennsylvania and Virginia and a renewal of benefits in California, Florida, Michigan, New York, New Jersey, Ohio, Tennessee, and Texas.

- Behavioral Health Services
- Applied Behavioral Analysis (ABA) Services

Beginning January 2020, Oscar is happy to introduce a new product to include Medicare Advantage options for members in New York and Texas.

All authorization and claim processes outlined in the Optum Network Manual will apply.

Services rendered on or after January 1, 2020, will be processed according to your current Optum Provider Participation Agreement and corresponding Standard Payment Appendix and/or outpatient fee schedule.

Claims Submission:

- Online through Provider Express as you normally would.
- You may also submit paper claims for Oscar Health Plan members to:

apply to provider
network status**

Quality healthcare through insight and innovation

Oscar is the first health insurance company built to make health care easy. Through seamless technology and personalized support they help their members navigate the health care system. This approach has led to high member engagement by providing members with access to easy-to-use digital tools that better manage their care. These tools include a website and mobile app that let members view their health history, speak directly with their dedicated Concierge team, and access their account information.
